

Guidelines and communication are again, key factors in keeping your child safe against online enticement of children.

Consider the following Parent/Child “Agreement.”

1. I will ALWAYS agree to tell my parent or another adult immediately if I receive any information that is inappropriate or that makes me feel uncomfortable.
2. I agree to NEVER give my name, address, phone number, school name, password, or uploaded picture to anyone.
3. I will NEVER agree to meet anyone that I have met online without the permission of my parent.
4. I will NEVER respond to any messages that use bad or threatening words, or that make me feel uncomfortable. I promise to print these messages and show them to my parent immediately.
5. I will NEVER go on to an online site that will cost money without first asking my parent or another adult.
6. I will NEVER give out a credit card number online without my parent’s permission.
